Dear Mr. Secretary:

On or about November 30, 2015, this office contacted your office to request assistance in resolving an international controversy regarding violations of property rights as well as violations of the Universal Declaration of Human Rights. Receipt of that communication is confirmed and a copy of that communication is attached.

Our only wish was that a cease and desist order issued by our court for fraudulent claims against property owned by a trust outside U.S. jurisdiction be honored and that the case (#24-O-15000876, Circuit Court for Baltimore City) be expunged from the record.

Your office has failed to assist in this matter.

As a result, an International Protest has been published (link: [International Protest](#)). For your convenience, please find attached a copy of same.

The organized and perpetual violations of the intangible property right to honest services, as well as violations against the Universal Declaration of Human Rights, as outlined within the International Protest, has, and will continue to harm individuals and entities that conduct business with the City of Baltimore.

As a result, we feel it is our duty to now inform the Public at Large, as well as private investors and the international community of the rampant misconduct perpetrated by the City of Baltimore and its courts and officers.

If this office can be assistance to you, please do not hesitate to contact me.

Autographed this 21st day of March, 2016.

Regards,

The office of the Secretary of State for The United States of America
