

Report: On or about October 15, 2015, Marshall R. Rinkenberger composed a letter exhibit (a) with specific instructions and not to deviate from those specific instructions which Marshall R. Rinkenberger ignored.

Marshall R. Rinkenberger added an additional paragraph which resulted in changing the document into a criminal act which was done without anyone's knowledge.

The Department of State is noticing the General Post Master Council that the client is manipulating the record to reflect a damage where one does not exist; thereby using the Government resources for a cause that does not benefit the American Nationals as a whole nor the Government of The United States of America.

Therefore, the Department of State will not be expending anymore Government resources towards the Rinkenberger cause.

Kind Regards,
