Dear Ms. Chavez:

I am contacting you regarding Martin Wayne Chapman. The relationship Mr. Chapman has with the Government of The United States of America is new (approx. 2-3 weeks) and as such, office-holders within the Government have recently come to learn he is embroiled in a dispute but lack any understanding of the fine details.

Mr. Chapman has submitted a complaint to the judicial branch serving this Government. Unfortunately, the articulation of his position is convoluted, if not utterly incomprehensible. This Court feels compelled to express caution to the offices and officers serving Chisago County when approaching Mr. Chapman.

Rest assured, whatever action is deemed appropriate by Chisago County to resolve this matter will have the support of the judicial branch of The Government of The United States of America (this Court as well as the Human Rights Tribunal).

Regards,

Chief Judge  
General Post Master Council
