The General Post Master Council has jurisdiction in the nature of an Article III court, much like a federal district court granted to Interstate commerce by the states. Interstate commerce is universal with all sovereign entities subject to the Law of Nations and International Law. Interstate commerce is not exclusive to the United States. This case requires an Interstate commerce venue rather than an intra-state commerce venue because there are multiple statutes involved.

The government of the state of Texas does not have the proper interstate-commerce venue or jurisdiction to hear a case of this nature as the person involved with this conflict has not politically demeaned his person to a mere faithful citizen or subject of the government of the state of Texas.

10:38 AM (UTC-6) Court convened by Chief Judge **Kevin Lloyd Lakes**

10:40 AM (UTC-6) Claimant **Juan Manuel Rueda, Jr.** present. No named Respondents were present

10:45 AM (UTC-6) Notice of Final Reading into the record of Assessment for damage and Writ of Execution was read into the public record.

10:55 AM (UTC-6) GPMC unanimously accepts and acknowledges the final reading into the record

11:00 AM (UTC-6) This case is now closed

11:01 AM (UTC-6) Motion to Adjourn by General Post Master- **John Harold Fulks**
