IN REFERENCE HEREOF, the General Post Master Council did convene on the 164th day, in the year of Yahweh, 6018, and after establishing a quorum, did discuss the following matters:

- 1) Delant Cory Palmerton, serving as an International Notary, did fail to perform proper Notarial services on an affidavit submitted to the Court, making the affidavit unacceptable to the court, and
- 2) An oath ceremony needs to be performed for an American National candidate, and
- 3) A controversy heard and resolved on the evening of the 163rd day in the year of Yahweh, 6018, by General Post Masters between Genoa Holdings and New Wave Candle Works / Debbie's Molded Memories, included accusations of threatening emails made by New Wave Candle Works / Debbie's Molded Memories against Genoa Holdings, and

BE IT RESOLVED, that the Chief Judge did prepare a written complaint against the International Notary and submitted same to the Department of State and the General Post Office and contacted the Claimant to inform the Claimant of necessary corrections, and

BE IT RESOLVED, that an oath for American National was performed for candidate Timothy Lee Flake, Jr., and

BE IT RESOLVED, that the Council did review emails presented by the Secretary of State, which were involved in the controversy between Genoa Holdings, PMA and New Wave Candle Works / Debbie's Molded Memories and determined the language contained within those specific emails, although candid and poignant, did not contain threatening language as alleged by the New Wave Candle Works / Debbie's Molded Memories. Further, it was determined by the Council that a written presentation should be prepared and circulated to General Post Masters and office-holders.

BE IT RESOLVED, that after determination of the above, the General Post Master Council did adjourn to be re-convened at a future date certain.

Signed this 164th day, in the year of Yahweh, 6018.
